

Ministry Update

JUNE 2026

This past month has been very focused on preparing for our upcoming Illumination Station VBC, happening July 6–9. Planning is going well, and it's been really encouraging to see how many people have stepped up to help. We currently have 128 volunteers signed up to serve in a wide variety of roles, including prayer team, kitchen support, grade captains, rotation leaders, registration team, and many others who all play a key part in making VBC happen.

Alongside VBC planning, I've also been meeting with our lead teams as we start looking ahead to the fall. These conversations are helping us begin planning for both our midweek programs and Sunday mornings.

- Pray that God would allow new connections to be built with our surrounding community through this VBC
- Pray that kids would come to know Jesus as their personal saviour at VBC
- Praise God for SCA International and for your ongoing support and partnership in this work
