OCT 2026 Ministry Update

MIRANDA MARTIN
CHILDREN'S MINISTRY INTERN
EMMANUEL BAPTIST CHURCH,
CHATHAM, ON

We have had a great start to our midweek eKids program this fall! We currently have 94 children registered. We have seen growth this year including many new faces from our community. It has been exciting to welcome these families and have the opportunity to build relationships with them and share the truth about Jesus.

We also have a very strong leadership team this year, with 35 volunteers who have committed to being there each week to teach the kids and build meaningful relationships with them. This month, we held a leader training meeting, and I was so encouraged by the enthusiasm of the team and their genuine love for the kids. We spent time learning how to share the gospel more effectively and how to create opportunities for conversations about Jesus with the children we serve.

I am so thankful for the faithful volunteers God has brought together and the heart they have for this ministry. It is exciting to see our team growing together as we seek to help kids know and follow Jesus. I am looking forward to seeing what God will do through eKids this year as we continue to reach children and families in our community.

Praise & Prayer

Praise: For a great start to the eKids year, the growth in registration, the new families joining us, and the dedicated team of 35 volunteers serving each week.

Prayer: That God would continue to work in the hearts of the children, that we would have opportunities to share the gospel clearly, and that our leaders would grow in confidence as they build relationships with the kids and point them to Jesus.

Photos: (1, 3) The kids had fun with a marble run activity one night.
(2) We always begin the night with large group worship. I love hearding the kids singing to God together.
