April Ministry Update

PREPARING FOR SUMMER

As we come into the Spring season, we have seen God working in amazing ways at Baden Central Church. Easter Sunday brought record attendance, with over 50 people attending our Easter service. We have continued to see strong attendance in the weeks since, with a consistent pattern of new faces joining us from week to week. It is exciting and humbling to see the way that God is bringing people to the church, and week by week it continues to hi-light the need for this Gospel outpost to exist in Baden. People are searching for Christ.

As we are getting ready for the Summer, we are preparing for a number of outreach initiatives, including a week of Summer camp to take place in July, and involvement at various community events. We are also continuing to work at increasing the usable space in our own building. This month we hosted a “painting party” for which people from the church were encouraged to come help us re-paint our church basement as we work to make it into a space that can work for various childrens and youth programs for the church, as well as for the community. We are grateful for all who came out to help, and are looking forward to seeing how God will use this space going forward.

Prayer Requests

Praise God for the growth we are seeing at Baden Central Church as people in our community hunger to learn about the Gospel.

Pray for our efforts to renovate our building to be more effective in reaching our community.

Pray for those in the church who have trusted in Christ and are considering baptism.

Pray for our plans for this Summer, that God would work through our various outreach initiatives to change the community of Baden through the power of the Gospel.
