October Ministry Update

SEEING GOD AT WORK

This month we were blessed to be able to celebrate the baptism of Zach, a young man who has been attending Baden Central Church for just a few months. When he first started attending Zach had never been to any kind of church before, but felt like he needed God in his life, so came with a friend. Since he started coming out, God has done amazing things in Zach's heart, and at his baptism he gave a clear and powerful profession of his new faith in Christ, and the new life that he has received. It was so exciting for us as a church to be able to be part of God's work in this young man's heart, and we are praying that we will be able to see many more stories like Zach's playing out as more and more people in Baden find hope and new life in Christ.

We have also been seeing encouraging growth at Baden Central, now averaging between 35-40 people on most Sundays, almost all of whom are from right in the community of Baden. We have recently started running a membership class for those who have been at the church for some time and wanting to commit to Baden Central as their church home. As I look at all that God has done, and is continuing to do here in Baden, I am so grateful for his constant faithfulness, and praying that we will continue to see him work in this community in the months and years to come.

Prayer Requests

Praise God for the ways that we are seeing him work in Baden, and pray that we would see many more baptisms to come.

Pray for Elaine and I as we are expecting the birth of our son coming in December.

Pray for those who are pursuing membership at Baden Central Church, learning what it means to be a committed part of a healthy church.

Pray for more open doors, that God would continue to bring us people who are seeking to learn more about him.
