

Robert Troutman - Mile One Mission

Preaching at Calvary Baptist

On August 9th I preached at Calvary Baptist from Luke 8:26-39 on how Jesus' healing of the demon possessed man proved that he is God and that he delivers everyone who receives him. As a part of the training I am receiving, I preached this sermon the week before to the entire Mile One staff and received helpful feedback from the entire team. You can find the sermon by clicking [here](#).

St. John's Regatta

August 5th is a holiday in St. John's for a traditional rowing race which is a large annual event that has been held for over 200 years. Mile One Mission uses this event as an opportunity to share information about all of our churches in the area. Over 900 pamphlets were handed out, inviting people to the different Mile One Mission churches and to a VBS that Calvary is hosting in a couple of weeks. Please pray for the advance of the gospel through each of the Mile One churches in the St. John's area.

Personal discipleship

I've shared recently about three men who I have had opportunities to interact with on a regular basis for discipleship. One of these men is currently not walking with the Lord, and the other seems to be wavering in his commitment to the church and his own understanding of the gospel. Please pray for me as I continue to try to engage with these men to help them follow Christ.

Mile One Auto

Over the past several months I have been meeting with the man who was managing the church owned and run automotive garage for discipleship and financial advice. I've temporarily had to become more involved as that individual is no longer managing the business. This also means that I'm working closely with the two men who are working in the shop. Please pray for wisdom in business decisions as well as opportunities to disciple these two men.

Praises

- Opportunities to teach and disciple others.
- Successful day at the Regatta

Prayer Requests

- That God will make it clear if my family and I should join in the ministry in Goose Bay.
- That God will give me wisdom as I temporarily help manage Mile One Autocare.
