

FEBRUARY 2025 NEWSLETTER

Dear Friends:

Greetings in the name of the Most High, our Lord and Saviour Jesus.

It is incredibly amazing that our Lord Himself would call us to reason with Him. He calls us to come to Him so that He can show us how deeply He loves us and welcomes us to receive all that He has prepared for each one, who would come to Him. 1 Corinthians 2:9 describes what it would be like; *"Eye has not seen, nor ear heard, nor have entered into the heart of man, the things which God has prepared for those who love Him."* I pray that coming to Him would become easier for more people. So two things to note here: 1) the Most High is asking us to "come now and let us reason together...", and 2) it has not entered into the hearts of man what God has prepared for those who love Him.

I find myself coming to Him for everything instead of choosing something else. Another verse in Hebrews 11:6 tells us how we should come to Him. *"And without faith it is impossible to please God, because anyone who comes to Him must believe that He exists and that He rewards those who earnestly seek Him"*. So if we approach something without faith, then my understanding is, it wouldn't please God and we may not be in line with what He wants for us. However, if we unconsciously make decisions outside of faith but still with the desire to please Him, we will find Him steering us back into position, to where He was leading. In other words we start all over again. With this said, surely we can never get it all right at all times but we can definitely do better in coming to Him more regularly. When we take the time to acknowledge Him in everything, we could avoid lesser 'start-overs' and be way ahead instead.

This year we are continuing with two of our sponsorship programs by faith, believing that God will supply the finances we need to sustain and grow our ministry. We desire to expand into newer areas of Canada, for many more years to come. The need for workers is still ever so great, as mentioned in scripture - John 4: 35 "..... Behold, I say to you, lift up your eyes and look at the fields, for they are already white for harvest!"

Join us in welcoming two new interns this year, in areas that are doing new things to expand and reach more people with the Gospel. **From Quebec**, Radu Popescu and from **Newfoundland**, Matthew Rodgers. You may read their individual reports online within the various churches of the Internship box at: www.scainternational.org

We carefully considered the past years that were very challenging and the blessings we have received. We are encouraged to continue in faith, believing that He will do for us according to His Word, "things we have not yet seen or heard about".

May those who support us and others in spreading the Gospel, also receive His abundant blessings, 'more than they can every ask or think'.

We serve a God who is the source of all things and He does not waver with time nor circumstances. Quite the opposite to what we are seeing all around us. He can do great things if our faith allows Him. Let's pray, "Lord I believe, help my unbelief."

SCA is called to carry the Gospel in Canada and there are many who have not yet heard. So we press on in faith to see many more come to know Him as their Lord and Saviour.

With Kind Regards,

*Devika Ramroop,
Ministry Director, SCA International*
