Dear Supporters and Friends:

We welcome the month of September that comes with new beginnings for most people. Some might be stepping out from a time of rest while others are stepping into a time of rest. Whichever one you find yourself in, consider it your new beginning and keep God in very step. I pray that God will give you more and more grace and peace, as you set aside time for Him and His Word to grow in the knowledge and grace of our Lord and Saviour Jesus Christ. The majority of us will be stepping out from a time of rest to continue or start new things. We can see evidence of this at church where some activities have been resumed, or new ones about to begin, school buses on our streets, children starting a new school year, etc. The outdoor colour is also starting to change and I even saw leaves starting to fall.

This is truly a busy time of year and we here at SCA are experiencing change in our leadership that will advance the mission. You may have noticed at the top of this page the AD for an Executive Director. I encourage you to take some time to pray if this is something the Lord is calling you to or, pass the word around if you know of someone

who might be interested. Become a helper in our search for a God honouring person to fill this position of this long standing Canadian mission, to accomplish God's plans.

John 4:35 says, "Don't you have a saying, 'It's still four months until harvest'? I tell you, open your eyes and look at the fields! They are ripe for harvest." The mission of SCA has planted in many areas of Canada where the Word had not been reached and there are a line-up of workers waiting to be sponsored, to go in the remote and underprivileged areas of Canada, not only bring the love of Jesus to them but to provide opportunities for the whole family to be involved.

Through our "Internship Program", we are able to expand into more places each year and this means we need more sponsors to help us hire the next intern for service. The fields of Canada are indeed ripe and ready for harvest and we cannot turn away from the great mission field that is right here with us.

Please consider getting involved and help us reach Canada with the message of Jesus's love. You will be making a huge difference for God's kingdom.

2024 Summer camp is now concluded and I am please to tell you we have sent twenty-seven children to four different camps across three provinces in Canada, this year. This cost us approximately ten thousand dollars. These children would not have been able to attend without our help. Thank you for your contribution that assisted us in meeting the needs of these children and gave them the opportunity to hear about Jesus and His love for them. They also enjoyed some fun activities as well where otherwise they would not have been able to experience. School has now been reopened for a new school year. We pray that God will bless and keep these children in their faith to make a difference in their community.

Last month I shared a story from one of the children. I would like to share another one. Read and be blessed. Click Here: [From the children](#)

Thank you for taking the time to read this newsletter. We appreciate you staying in touch with our ministry.

Thank you for your financial contribution. You are making a difference for eternity.

Thank you for your prayers. This is priceless and we need it!

We cannot say thank you enough, for your generosity.

May God bless you abundantly.

Serving Him together with you,

Devika Ramroop
