

Inclement Weather Policy

The ECEC follows the Federal Government (OPM) status regarding weather-related closings.

- The ECEC closes when the Federal Government closes.
- The ECEC will open an hour late when the Federal government has unscheduled leave, unscheduled telework, or 1 hour delayed arrival.
- The ECEC will open two hours late when Federal government has 2 hour delayed arrival with unscheduled leave or unscheduled telework.

If we make any other decisions about closing the center due to safety concerns for our staff, we will notify you via Brightwheel alert and/or email.

The "OPM Alert" app is very useful to get notifications quickly about the federal government status
