Ambassadors Soccer Camps are designed to give developing players an opportunity to learn basic and advanced skills in a fun, positive and encouraging Christian environment.

Each day at camp includes technical and tactical instruction at the individual and group levels, focusing on control, passing, heading, dribbling, shooting and defending. Small-sided games and special age-related competitions around the daily program. The week concludes with individual skill competitions and the highly anticipated "World Cup" tournament.

Our coaching staff is comprised of experienced players and coaches with national and international backgrounds. All of our coaches are committed to Christ and great with children.

In addition to excellent coaching, we provide daily life-related "Team Talks" geared towards communicating the life-changing principles found in God's Word.

Each camper receives an Ambassadors soccer ball, Ambassadors t-shirt, certificate of completion, soccer camp workbook, and special awards and prizes.
