

Christ's love for the church provides the perfect template for a husband's love for his wife.

When men love their wives, they love themselves.

Christ's love for the church is \_\_\_\_\_.

This self-sacrificial love is the original plan God had for marriage.

Christ's love for the church is \_\_\_\_\_.

## WHO AM I?

### The Parable of Marriage Part Two

Husbands are called to die to self as an act of love for their wives, just as Christ loved the church.
