

Dear CrossWinds

Greetings to you in Jesus name. I hope that you are well and so if your family. I am blessed to have you who hear me and read my monthly newsletter and pray for me and our ministry daily. We want to thank God for you.

1. The persecution of Christians is indeed a heartbreaking and alarming reality in many parts of our Orissa state, & almost everywhere in the world. The scenario is that: miscreants enter churches, beat believers, and falsely accuse them of religious conversion, is particularly disturbing. Not safe even in our own church facilities. This is crazy. This type of persecution is often fuelled by misinformation, prejudice, and a lack of understanding about Christianity. It's essential for governments, law enforcement agencies, and civil society organizations to take concrete steps to protect the rights and safety of Christian minorities. But unfortunately they are NOT FOR US.
2. At present world biggest gathering is taking place in UP, India where 4,200 million devotees coming from all over the world including Steve Jobs wife Laurene Powell Jobs to take holy dip to get rid of sin. I suggest, if you have little time, please try to search in the internet " mahakumbhamela india"
3. On the 7th of February a movie is going to release in Orissa and the movie is screening about misinformation and total lie about Christians and Christian conversion. This is very sensitive. All Orissa Christian churches objecting and giving memorandum to the governor and chief minister to change some contents but nobody hears us. This is disappointing and yet this is called democracy here.
4. School children are keeping well and now preparing for their annual/final exam for 2025-2026. Here some pictures of the picnic of the children before they face their final exam. Thank you for praying for them and supporting them.

PRAY:

1. Pray for our safety
2. Recently several pastors forcefully taken in to prison from Churches with false accusation of religious conversion.
3. Pray for their bail to be granted.
4. Pray for school children as we need sponsorships to give access for more children from vulnerable families.
5. Pray for Kuni my wife who is soon be going for surgery to remove stones.
6. Pray for my children education. Some dues to clear and this year Jack my elder son will get admission in a university. Educations in good collages/universities are quite expensive here.
7. Pray for me as I travel a lot on the road from place to place.
8. Pray for a baptisms service for about 175 people in two different locations.

I genuinely want to thank you so much for your sincere prayers and support. We ask God to bless you when pray for you daily.

God bless
Kind regards!

Sunny & Kuni

SOME PICTURES OF THE EMMANUEL SCHOOL PICNIC BEFORE THE CHLDRENE FACE THEIR ANNUAL/FINAL EXAM.

A heartfelt thank you to those who are bring joy and love into our lives.
