

Direct Giving Authorization

We are pleased to offer a Direct Giving Plan (Direct Deposit). You can authorize one time or regularly scheduled gifts from your checking or savings account. Proof of your gift will appear on your Giving Statement. There are 3 ways to set up Direct Giving.

Option A: Go to www.CrossWinds.tv and click "Giving". You can set it up in "Give Now". You do not have to become a Realm user. The Direct Giving pdf is also available there.

Option B: Become a Realm user, click the "Giving" tab and set up the transaction.

Option C: Print and mail the completed form with a voided check to the address at the bottom of the form.

Thank you for providing for God's work in this way!

Take Note: All giving transactions including your giving report are accessible 24 hrs per day using the Giving features in your Realm Account. We will be happy to help you set this up.
