

Dear CrossWinds Church

I want to bring you greetings in Jesus name and we want to express our heartfelt gratitude for your earnest prayer and continued financial support, which has enabled us to carry out our missions work in India. Your generosity has been instrumental in spreading the gospel and bringing hope to many communities.

This month, we have experienced a significant outpouring of God's blessings. Our churches have been thriving, and we have been able to reach new villages with the gospel amid severe opposition. We have seen people come to Christian faith, and it's been a joy to witness the transformation in their lives.

As we continue to share the gospel, we have identified opportunities to serve these communities through social development projects like sewing, giving computer classes to vulnerable, drilling wells for communities and etc. These projects will not only provide practical support but also create an environment where we can share the love of Christ with them and their relatives.

Requesting for Support to re-initiate these social development projects, we require financial assistance. Your support will enable us to: Provide essential services such as education and livelihood training. Build relationships with the community and share the gospel in a meaningful way. Demonstrate God's love through practical acts of service.

We invite you to make some new partners with us in this new initiative and to continue the missions' work that we have been doing since the last two decades or so. Your prayers & support will be crucial in helping us relaunch these projects and make a lasting impact in these communities.

Thank you for your ongoing support and partnership in the ministry. We are excited about the opportunities ahead and look forward to working together to spread the gospel and serve these communities in Orissa, India

Needs and Prayer Requests

4. Pray for resources and instructors to provide sewing classes, empowering individuals with a valuable skill. This is exclusively for women. And Requesting prayers for computer equipment and trained instructors to offer computer classes, enhancing digital literacy for collage going students who come from poor families.

I am very much grateful to you for your loving kindness. Earnest prayers and generous support. Continue to pray for me and our ministry.

May God bless you and be with you in Jesus name.

Sincerely
