

Spring Baptist Church Hoops Basketball League - 2026-2027

For all kids 1st- 6th grade completed – Cost \$110 per player.

The SBC Hoops league is a developmental league that teaches kids the fundamentals of the game. All teams will play (8) games. We are not a select league. All kids will go through a Coaches draft, and they are graded on their abilities, allowing us to avoid stacking teams to make the league fun and competitive. If players cannot attend try-outs, they are considered a HAT pick, and they are selected at the end of the draft. Everyone who is registered does make a team. All kids who participate in our league must be registered through the SBC Hoops league. No pickup players from other leagues or teams are NOT ALLOWED!

The younger age group games are held during November and December. The older age group games are January 9 – 30. Coaches are selected by our Activities Ministry Staff. All Coaches must take the Ministry Safe Testing and Background check. We request that all our Coaches, who must be SBC members, are active church members at others area churches.

Registration begins October 20 – 22.
