

# Bible Engagement

## Lesson 5

### Work With a Paragraph (Chapter 18)

- Learn how to break down and observe a paragraph in the Bible

### Things That Are Emphasized (Chapter 19)

- Look for things that are emphasized
  - The amount of space given
  - When the purpose is specifically stated
  - The order things happen in

### Things That Are Repeated (Chapter 20)

- Look for things that are repeated like:
  - Terms, Phrases, and Clauses
  - Characters
  - Incidents and Circumstances
  - Patterns
  - New Testament use of Old Testament passages

### Things That Are Related (Chapter 21)

- Look for things that are related like:
  - Movement from the general to the specific
  - Questions and Answers
  - Cause and Effect

### Things That Are Alike & Unlike (Chapter 22)

- Look for items that are similar or different on purpose
  - Similes
  - Metaphors

### Things That Are True to Life (Chapter 23)

- The people in the Bible are real people who lived real lives
- How did they feel?
- How would you feel?
