

Prayer, Does It Make Difference

Week 3

Unraveling the Mysteries (Chapter 6-8)

The big question, why pray? And the simple answer is because Jesus did.

Jesus prayed:

- In times of trouble
- For others
- For everyday things

But why doesn't God answer my prayers. By answer I mean do what I ask. A better question to ask may be, does God care about my problems? And the answer is a resounding YES! We see Gods love throughout the bible, in Jesus' life.

This week covers questions like:

- Did Jesus ever pray and not get an answer?
- Did Jesus not pray for things?
- Is it ok to bargain with God?
- Is it ok to argue with God?
- Is it ok to yell at God?

We learn there are three stages in prayer.

- 1st Child like request for something I want
- 2nd A kind of meditation
- 3rd Submission
