

Prayer, Does It Make Difference

Week 4

Unraveling the Mysteries (Chapter 9-11)

Does prayer have an impact on this world. The answer is YES! More than anything else we can do prayer has the biggest and most powerful impact. Action is also tied to prayer. Through prayer we are called into acting on the things we pray about.

Through prayer not only do things around us change but most importantly we change.

The following is a summary of section 2 Unraveling the Mysteries

- Some prayers will have no answers
- God restrains from fixing all our problems
- It is ok to argue and bargain with God
- Three stages of prayer
 - 1st Child like request for something I want
 - 2nd A kind of meditation
 - 3rd Submission
- We partner with God through prayer
- Prayer has an impact on our world
- It is prayer AND action together
- Prayer does change God
 - Prayer also changes us
- We don't understand how prayer works
 - But it works and we are called to pray
