GROW, PRAY, STUDY

Luke 7-36-50

Sermon notes:

1. What comes to mind when you hear the word “king?” Are there any images, places, or people you think of? What makes a king different from a president or elected official?
2. What was the purpose of “anointing” a future king in the Old Testament? In Luke 7, what makes Jesus’ anointing unique?
3. Israelite kings would have to prove themselves in diplomacy or conflict with enemies (usually in battle - like David slaying Goliath.) What kinds of enemies does Jesus defeat to prove his kingship?
4. How is Jesus a king like David? In what ways is his kingship superior to David’s? How does Jesus use his royal, divine authority for the benefit of others (like in Luke 7:48)?

How I can respond in faith today: Consider where in life you’ve been playing “king.” How can you acknowledge Jesus’s reign over your life in a new way today?
