Example:

Nov. 4 – 2.3 & 2.4

On November 4th, sections in unit 2.3 and 2.4 should have been worked on during the previous week by the clubber. They should come to Awana on 11/4 with the blanks filled in and be prepared to discuss the units. Their leader will listen to them recite the “Memorize” & “Review” sections and sign off on all completed sections. (Remember, no more than two helps for memory work.)

ALL of the above sections must be completed for a clubber to earn their book completion award on awards night. If a unit is missed due to an absence, please make sure your clubber makes it up as soon as possible during a later week. Leaders can be available to listen to make-up and extra credit sections from 6:15 – 6:30 pm on Awana nights so please don’t hesitate to contact us with questions or to set up a time to do make-up work.
