

Lowcountry Pregnancy Center – Joy Yarborough

Ministry Focus:

Since 1986 the mission of the Lowcountry Pregnancy Center has been to offer life-affirming alternatives to abortion in a compassionate Christian evangelical environment. We minister to pregnant women, to fathers and to families from any area of the Lowcountry. We also offer a post abortive healing bible study.

Strategies for Sharing the Gospel in this Ministry:

We have the opportunity in all of our counseling sessions to share the gospel of Christ with each of our clients. A personal relationship with Christ is fundamental to lasting change and victory in our clients’ lives. An understanding of the Lord’s plans and purposes for themselves and their babies is fundamental to choosing life. Last year the gospel was shared over 500 times and 23 women made **new** professions of faith in Christ.

Financial Needs:

We have truly been blessed by the Lord’s people to sustain the financial needs of the ministry. Ongoing support is vital to the furtherance of the ministry, especially during a time of cultural turmoil over the life issue. In order to service thousands of visits each year, we must support a sizable staff.

Prayer Needs:

1. Pray that women considering abortion in our area would come in for our services and choose life.
2. Pray for our staff to not grow "weary in well doing" as the cases can be difficult.
3. Pray for the Lord to give peace to our clients spirits and that this would be the day they accept Christ as their personal Savior.
4. Pray for our clients to learn how to be loving, Godly parents to their children.

Short-term Mission Opportunities: Yes No

- During special events we could use additional help with set up and mailings.
- Churches have helped with center maintenance and painting at the facilities.
- Collection of baby items and diapers
