

Dear GSM Parents,

This Sunday we'll be starting a new Sunday school class with the GSM students. The class will focus on the sufficiency of Scripture and applying the sufficiency of Scripture to the issues of life. We'll contrast biblical diagnosis and solutions with worldly ones, but the focus will be on understanding who we are, who God is, and God's solutions to life's issues according to the Scriptures. We'll cover issues like fear and worry, anger, depression, sexual sin, identity, entertainment, suffering, suicide, etc. Dalton Vansell and Philip Fulmer will be teaching this class. We're excited to display the sufficiency of Scripture and the hope of the gospel to our students! If you have any questions, feel free to contact us.

Thank you,
GSM Leadership Team
