## Special Message

When you think about Christmas, what do you picture? It might be opening gifts, or having a Christmas get together with family and friends, going to your child's Christmas program, driving around to see all the Christmas lights in all the neighborhoods, or making Christmas cookies and gingerbread houses together with your family. Christmas traditions can be very different for many families but they bring us closer together and remind us what is really important. All of these special family traditions fill our hearts with love and remind us of our Savior's love for us. We want to wish you and your family a very Merry Christmas!
