Trike-A-Thon:

For over 35 years, St. Jude Trike-A-Thon has helped preschools train big hearts with little wheels. This fun, week-long learning opportunity teaches kids trike and riding safety while they support the mission of St. Jude Children's Research Hospital: Finding cures. Saving children.

Throughout the week, April 20-24th, St. Jude friends, Bikewell Bear® and Pedals the Bunny®, teach kids important safety lessons as they raise funds for the kids of St. Jude. At the end of the week, students show off what they've learned and celebrate their success as they ride their bikes on **Friday the 24th of April**. More detailed information next week.

Everyone must raise at least \$25.00 to Ride their bike!

St. Jude is a hospital where miracles happen!
