

Parents,

Thank you so much for allowing your child to participate in our 2026 Kids Street Christmas program (for children Age 4 through Grade 5).

This year, Kids Street is excited to present The Little Drummer Dude, a fun and adventurous Christmas musical that takes us on an unforgettable journey to Bethlehem. Persia's Traveling Band, or PTB, is out on their biggest tour yet when they meet three Wise Men following a star in search of a newborn King. Hoping for the chance to perform for royalty, the band decides to join them on the journey. Along the way, their young roadie, Abel, discovers that his own gift for playing the drums may be more important than anyone realized. With memorable music, plenty of laughs, a wonderfully wacky camel named Hakim, and the timeless story of Jesus' birth, The Little Drummer Dude reminds us that God can use every one of us in amazing ways, no matter how young or small we may feel. Come be a part of this exciting Christmas adventure!

We are looking forward to the opportunity of working with your child through Christmas choir this year, and are asking God to bless our efforts together! Below is our planned rehearsal schedule.
