

SIDEWALK MINISTRY NEEDS

On the sidewalk our sidewalk advocates and prayer warriors provide abortion-minded moms and their support persons literature/resources so that they can all make more “informed” decisions based on their circumstances and during their unplanned pregnancy.

“We want them to know how precious this life is that they are carrying and how precious their life is to God!”

You can be part of this by helping us provide these resources!!

- (Grace Bags) through donations we will be able to order the tiny hands booklets you see pictured, the abortion pill reversal cards and also the pens... bookmarks... and keychains used to let these ladies know that God loves them...
- Through helping us provide personally written greeting cards so they know they are not alone.
- By volunteering to come out and pray... please email Linsey Huffman all@tbcnow.org if you'd like more specifics on how you can help us pray!!

{our teams are on the sidewalk in Winston-Salem and Greensboro throughout the week, everyday accept Wednesday}

Here's a picture of the bags that are handed out...
