## Sermon Review Questions:

1. Tell about a time when you “appeared to be losing” in some area of your life. What was the situation and how to you view it today as you reflect?
2. Pastor Rob contended that Paul took the position of “if God were fair and caring, we would suffer.” How do you view this statement in light of your personal life experiences?
3. Read v:7 as Paul admonishes the church not to be shaken. What is a recent time when you felt “shaken” in your faith? What was the result of this feeling?
4. Describe a situation where you felt as if God was ignoring you. How did you respond and what did you learn about God (and also about yourself) in this specific situation?
5. As you consider the sermon as a whole, what was the most impactful point that was made? Why do you think this point spoke to you personally? Explain your answer.
6. What is one point of action that you can implement this week as a result of this passage and the sermon preached?
