

DIPES - WIPES - SWIPES

This program was designed to help single moms who choose life with immediate needs...

When we get the call for a need, our ministry would like to collect these items. This will provide a new or closely expectant mom with the items she will need right away.

Those items include:

- **“Dipes”** (packs of any size diapers, any brand and/or style)
- **“Wipes”** (packs of wipes, any count / any brand)
- **“Swipes”** (gift cards for any amount, to any store that would provide for the needs of the baby or an expectant mom.

Could be grocery stores, or clothing stores... any locations that sell baby items. Even gas-cards would be helpful for traveling to doctors appointments)

~ Please remember, any item and any amount would be helpful in these situations... so no amount is too small. "Thank you!"
