Ministry Apprenticeship
For more info and to apply, visit:
www.tbphoenix.org/pastoral-internship

About The Equipping Programs At Trinity

E1 classes aim at maturing every disciple in their walk with Jesus. These classes will aim at topics like how to read the Bible, prayer, finances, marriage, etc. Whether you are a mature Christian or just became a Christian yesterday, these classes should be beneficial for you. These include Sunday School and Wednesday night classes.

E2 classes focus on Christians who aspire to leadership in the church on at least a lay level. These folks may hope to lead a Community Group, teach in Sunday School, or serve as an elder or deacon in the future. These classes intend to prepare God's people to shepherd others. In this class you should expect the teacher to use the term "justification" without apologizing and then explain what it means and why it's critical to understand this doctrine to be able to explain to others and apply it to everyday life.

The purpose of our E3 Ministry Apprenticeship is to provide a course of study and applied ministry for pastors and church leaders. Those who feel an inward call to ministry can come and observe what local church life looks like in practice, while studying what the Scriptures as well as pastors and theologians who have thought carefully about the nature of church have to say about what a healthy, biblical church should look and how a shepherd ought to serve. For more info: www.tbcpheoenix.org/pastoral-internship
