## London Baptist Confession Chapter 5.4

4. The almighty power, unsearchable wisdom, and infinite goodness of God are so thoroughly demonstrated in his providence, that his sovereign plan includes even the first fall and every other sinful action both of angels and humans<sup>11</sup>. God's providence over sinful actions does not occur by simple permission. Instead, God most wisely and powerfully limits and in other ways arranges and governs sinful actions<sup>12</sup>. Through a complex arrangement of methods he governs sinful actions to accomplish his perfectly holy purposes<sup>13</sup>. Yet he does this in such a way that the sinfulness of their acts arises only from the creatures and not from God. Because God is altogether holy and righteous, he can neither originate nor approve of sin<sup>14</sup>.

<sup>11</sup> Romans 11:32–34; 2 Samuel 24:1, 1 Chronicles 21:1.

<sup>12</sup> 2 Kings 19:28; Psalms 76:10.

<sup>13</sup> Genesis 50:20; Isaiah 10:6, 7, 12.

<sup>14</sup> Psalms 50:21; 1 John 2:16

---
