

Small Group Discussion Guide

"It's personal" (pt. 1) – 1/25/2014

Scripture: Your most influential passage

Bottom Line: Discuss how this passage has influenced you.

Go around the room and have each person share their favorite or most impactful bible verse or passage and then explain why it has impacted them.

*Let the folks in your small group know you are doing this so that they can come prepared.

*Don't pressure new or shy people to share if they do not want.
