

Crossing Students Take Out

December 7th

What did we do today?

Today we talked about spiritual gifts. We unwrapped and rewrapped presents and watched "The Christmas Story." What a great time we had together. We talked about why God gives us gifts and the importance of using our gifts. Lastly

What was the Big Idea today?

God has given us some great gifts so that we can help others and tell them about Jesus. God gives all believers spiritual gifts. We don't earn these gifts but he gives them to us because we are a part of his body of believers and we need to work together to lead people to him.

What Bible passage did we talk about?

In this passage, Romans 12: 3-8, Paul talks about how we're supposed to use our gifts to help others. We were all given different gifts but they are all important and necessary to help bring unity and build up our church family.

How do we take this & make it stick?

Check out this Spiritual Gifts test: <http://www.spiritualgiftstest.com/test/youth>. It takes about 15 minutes but it explains a lot about the various gifts and can be a great conversation starter. As with any gifts test they are not perfect but just a great place to start the conversation. After you take the test ask: How can I use these gifts to help people in and outside the church?

What's coming up in CrossingKids?

Student Service: We would love to get you (6th-12th grade students) plugged in on a team and serving once a month on Sunday mornings. If you are interested, please email us.

Are you getting our periodic email updates about the student ministry? It's a great way to stay connected. If you aren't, just email us and we will add you to the list.
