Why does our church participate in the Golden Offering for Tennessee Missions? It's simple. Because we love Tennessee. And any way you slice it, Tennessee is a mission field. We have to look at the needs all around us.

- Approximately **80%** of the population of most counties will not worship in any church this Sunday.
- **450,000+** people of immigrant or refugee backgrounds live in TN.
- **21%** of every 1,000 births were to women ages 15-19.
- **54%** of 4th grade students are NOT performing at or above a proficient level in reading.
- **55,000** people from TN are behind bars. About half of the state's prisoners released each year return to prison within 3 years.
- TN is one of the hungriest states in the country. **1 in 7** people in TN face hunger, and **14%** of households face food insecurity.
- TN is in the **top 10** states in drug overdose deaths.
- TBI reports human trafficking is the **2nd** highest rising crime in the state. Every county in TN has reported cases of human trafficking.
- There are almost **5 million** unchurched people in the state of TN with currently **7.12 million** people living in TN.
- There are more than **7,000** children in the TN foster care system.

We want to have the same heart for Tennessee that Nehemiah had for Jerusalem. *"When I heard these things, I sat down and wept. For some days I mourned and fasted and prayed before the God of heaven."* (Nehemiah 1:4) When we look at Tennessee, we mourn over spiritual lostness. It's the greatest problem we have, and we might be tempted to say, it's just impossible. But with God, all things are possible.

PRAY... The Week of Prayer for TN State Missions is Sep. 8-14.
GIVE... The statewide goal for the 2024-25 Golden Offering for TN Missions is \$2,700,000. Our church goal is \$11,000.

*"Love bears all things, believes all things, hopes all things, endures all things."

Fall 2024 Tue-Wed-Thu ESL Groups

Dodson Elementary

By Nancy Andrews

There are many exciting things happening at Dodson Elementary this fall. We are so excited to announce that we will be starting our **Good News Club** beginning Sep. 5. We have 23 volunteers, ranging in age from 12-100!! We underwent a half-day training session with Evan Chase from the Metro Nashville Child Evangelism Fellowship office and were so excited to learn more about evangelizing children in public schools. We will meet weekly Thursday afternoons through the end of April.

August 2, we took a team to **Dodson's Back to School Open House** and were able to distribute information about our Good News Club. Many parents and children were glad to hear about our club. Please be praying that the Lord will send children with open hearts to hear the gospel each week.

August 6 was the first day of the new school year, and a team of ready volunteers helped at the annual **BooHoo Breakfast**. We provided donuts and juice to parents, grandparents, and younger siblings of pre-K and Kindergarten students. We also had information available regarding our Good News Club. There were many tears and smiles on this emotional day.

We look forward to continuing our many ongoing projects at Dodson, including weekend food bag distribution, assisting the Dodson Market, providing breakfast at Awards Day ceremonies, and many teacher appreciation events. If you would like to be a part of our ministry to Dodson Elementary, **please contact Nancy Andrews at nma0626@tds.net.**

Pregnancy Care Center

By Desha Hearn

Our Pregnancy Care Center annual fundraising banquet will be Thursday, Sep. 26, at First Baptist Church in Mt. Juliet. We are currently recruiting table hosts and underwriters. If you would like to be either one, or both, please contact Carmela at 615.773.HOPE (4673).

Our new **24/7 nurse chat feature** on the website is working brilliantly and helping us meet the needs of individuals seeking help outside of our regular office hours. Additionally, when staff are all serving clients and not able to reach the phone or reply to an incoming text immediately, the nurses staffing the 24/7 chat are able to pick up the conversation and even schedule appointments for us.

Our **Sexual Risk Avoidance (SRA) program** has received praise and strong support in both Metro and Wilson Co. school districts. Wilson County has even given us the opportunity to share about what we can offer with their coaches and principals. We look forward to a new school year of building rapport with students. We are in need of volunteers with classroom experience who would like to be trained to join our team of educators!

Let's Learn English Together

By Carmen McCreary

We are excited to announce that we have reached **122 students from 19 different countries**, speaking **9 languages** - 10 if you include English! We are incredibly grateful for our partnership with Women on Mission who generously provide snacks and hot beverages for our students each week.

We're also thrilled to introduce our new initiative: the **English Club!** This club meets on Sundays from 3:00 to 4:45 PM and offers a relaxed environment for conversation practice. The sessions include a 30-minute Bible study, 30 minutes of reading comprehension, and some fun games to wrap up. The club is a small, intimate group of 10 or fewer students, divided into three smaller groups. Can't commit to our regular 12-week classes? No problem! **Drop by room 102 for English Club on Sundays and experience what it's like to teach English in a more flexible setting.**

Please continue to keep our students in your prayers, especially those attending Bible classes on Wednesdays, as well as their families back home in places like Haiti and Venezuela.

For teaching opportunities, visit esltulipgrove.org/volunteer.

Youth on Mission

By Mike Westveer

The TGBC Youth Group attended **Crossings on Mission Camp at Carson Springs Baptist Conference Center in Newport, TN July 15-19**. The group included 22 students and 6 adults. Crossings on Missions states that it **“gives students the best of both worlds, all the fun and spiritual development of summer camp, plus the chance to live out their faith through impactful mission work.”** That is exactly what most of our parents wanted for their students as shown in a parent poll completed by Pastor Eric.

A typical day consisted of breakfast, followed by a time of worship with **Camp Pastor Jay Barbier**, the Tennessee Baptist Mission Board Youth Specialist. Worship was followed by small groups, led by the Crossings on Mission staff and consisting of same age and gender from across the attending youth groups. This was our youth’s chance to get to know students from other church groups. Following small groups, each youth group headed to their assigned mission field for the day. More to come on that.

When we returned from our mission work, the students had free time to explore the camp, play various games, swim, or just rest. After dinner, the students headed back to the chapel for worship. Worship included Camp Pastor Jay, an amazing band from Cedarville University and Crossing Staff. Following worship, we had small groups within our Tulip Grove Baptist group, led by our six adults.

We were assigned **Angelic Ministries, Int. in Knoxville, TN** as our mission site. Angelic Ministries, Int. began in 2002, and is a non-profit nondenominational ministry. The primary ministry of Angelic Ministries is to reach out with the practical love of Christ to people entering our doors, by providing them furniture, clothing, linens, kitchen supplies, and other needed household items at no cost to them, all wrapped in the love, encouragement, and prayers of our staff and volunteers who serve those who come to our ministry. Our students were introduced to the mission and vision of the ministry and put right to work. Tasks that our students took on during camp included sorting through donations of clothes and accessories, loading vehicles with furniture, stocking food for recipients, packaging boxes with supplies for kitchens, cleaning out the donation chute, and pairing up thousands of donated loose shoes. The final day, our oldest students cleaned a house that the mission was going to use to house men who were coming through their program.

As the students worked alongside men who had been impacted by Angelic Ministries, they were able to hear testimonies of how Jesus had placed Christian men and women into their lives through the ministry, saving them from not only drugs, homelessness, and despair, but to a life lived for Christ throughout eternity. **As our students lived out their love of Christ and people, they were impacted by the despair that sin causes in this world but reminded that the blood of Christ saves.** Thanks for supporting and praying for our amazing students.

Watch the announcements for when OCC boxes will be available this fall.

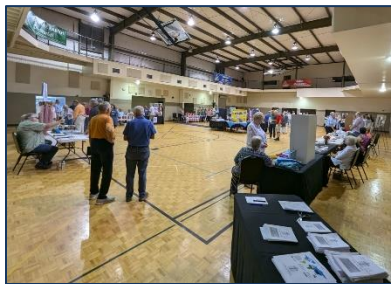

If anyone would like to help with this churchwide missions project, please contact the church office.

Missions Vision and General Missions Offering

By Pastor Chase

John Piper has captured the urgent need for missions when he says, **“Missions exist, because worship doesn’t.”** Piper’s point is that as humans we were created to know, love, and worship God; however, in our sinful rebellion, we have exchanged the worship of the true and living God to worship other things! Consequently, the right worship of the true and living God doesn’t naturally exist. Yet, by God’s grace, he has saved us from our idolatry, made us true worshipers, and given us eternal life through Jesus Christ his Son. It is this good news of being reconciled to our creator through Jesus Christ that we are to announce to the world.

It’s for this reason, **Tulip Grove Baptist must be a lighthouse**, shining the light of the knowledge of Christ into the darkness of this world so that sinners may find refuge in him. This is why our mission statement says:

Tulip Grove Baptist Church exists to glorify God by making disciples of all nations who worship Christ, are in covenant community with one another, and grow together in the truth, love, and joy of Christ.

One of our core commitments as we seek to fulfill this mission statement is Mission—declaring the Good News of Jesus among all peoples by the Holy Spirit’s power for God’s Glory. With this commitment we long to see lost sinners come to know, love, and worship their creator! For this reason, Jesus tells us *“you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth” (Acts 1:8).*

As the book of Acts unfolds, we learn that God’s plan for spreading the good news of Christ is through establishing new churches upon the gospel who will then reach their local communities with the gospel. Therefore, we want to be on mission locally in our community but also active in establishing new churches and sending missionaries with the gospel throughout greater Nashville and around the globe for the glory of God.

Essential to this mission work is our partnership with the Nashville Baptist Association (NBA), Tennessee Baptist Mission Board (TBMB), the North American Mission Board (NAMB), and the International Mission Board (IMB). In the past, we have collected several mission offerings throughout the year to help support the mission work of these agencies. Starting in 2025, we will consolidate these offerings into three. We will continue our Lottie Moon Christmas Offering to support the IMB and our Annie Armstrong Easter Offering to support NAMB. What will be new is a **General Mission Offering** during the summer. Our missions team will then take the gifts collected from this offering and distribute them to our various other mission partners (e.g., TBMB, NBA, etc...). In this way, we’ll have three key mission emphases each year promoting the gospel work the Lord has called us to as we seek to be on mission where the worship of our Lord and Savior does not exist.

Missions Fair

By Renee Mathis

TGBC’s 2024 **Missions Fair** was Sunday, Aug. 18, to kick off our new church year in missions and give everyone an opportunity to respond and sign up to serve. The Missions Fair was organized based on **Acts 1:8** and was set up in the gym with 30 missions display tables for local, national, and international missions ministries and organizations. Over 120 people attended the Missions Fair. Everyone was encouraged to complete information to indicate areas of missions interest.

The Missions Fair was followed by a **Missions Prayer Service** in the Worship Center for an organized time of prayer for our missionaries and the missions ministries and organizations represented at our Missions Fair.

“Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.”
(Matthew 28:19-20, ESV)

Craft Ministry

By Charlotte Maynard

Your talent is God's gift to you... What you do with it is your gift back to God.

We have been **VERY BLESSED** to have ten ladies who come regularly to our Craft meeting the third Monday of each month. They are a hard-working group crocheting and sewing to make items such as hats, scarves, baby blankets, prayer pockets, jump ropes, lap blankets, pillows, drain bags, soft hats and warm mittens for cancer patients.

A **LOT** of hard work and fervent prayer goes into making each of the above items. We appreciate Carole Flood for bringing her cutting machine to cut all the donated t-shirts into strips for making the jump ropes. Each lady has their specialty that they enjoy working on, and it is **TRULY AMAZING** all the talent we have in this little group.

We appreciate Kathy Bentley with Newborns in Need picking up our items each month and delivering them to hospitals around the area.

This coming November we already have 125 hat and scarf sets ready to donate to The Next Door Recovery and 100 hats to donate to a Men's Recovery Group in December.

Please join us the third Monday of each month (except December) 10am-2pm in Room 223. Watch for the announcement in the church bulletin. We are excited this coming month to have a guest who wants to teach crocheting and knitting to those interested.

Homebound Ministry

By Charlotte Maynard

"If anyone ministers, let him do so with the strength God provides, so that in ALL things God may be praised through Jesus Christ. To Him be the glory and the power forever and ever. Amen." I Peter 4:11

We are SO VERY thankful for the 17 team members of our Homebound Ministry who reach out to the 22 on our Homebound Ministry list each month with cards, calls, and visits.

A special thanks to Connie Howard who has been making "prayer pockets" that we can give out when we visit. Each pocket has a written prayer and a tiny cross.

Another shout out goes to Ron Nunnery who keeps our zinnias in the church parking lot beautiful each year. He has invited us to cut bouquets for the Homebound when we visit.

We want to extend our deepest sympathy, love, and prayers to those who have lost loved ones in the Homebound Ministry this past quarter.

Please join us for our next Homebound Meeting the last Sunday in October in the Conference Room at 5 pm. We would love to have you.

Women on Mission Sisters

By Renee Mathis

For the past two years, WoM Sisters have focused on sharing our time and talents with one missions ministry each fall and spring semester - The Next Door Recovery, Begin Anew, Pregnancy Care Center, and Rest Stop Ministries - in order to do more hands-on projects and go into greater depth with them. This was a good idea, but it required longer meeting times, repeating projects, and taking two years to rotate back to a ministry. This fall we are returning to a speaker meeting format to learn about new ministries and get updates from existing ministries each month. Our projects will be collecting items needed by these ministries with a couple of hands-on projects. We will also focus more of the first part of our meetings on fellowship to get to know each other better and build relationships. All meetings this fall are in the Youth Basement.

Women on Mission will continue our ongoing missions projects with **White House TN Baptist Adult Home** in Lebanon (formerly Brooks House TBAH in Hermitage). This summer WoM enjoyed taking our White House TBAH friends to six \$1 movies and to Cici's Pizza after each movie. WoM also has monthly Lunch & Games at the White House the fourth Monday each month. Contact Renee Mathis to sign up!

Our first WoM Sisters meeting is Tuesday, Sep. 3, 6:30-8pm. Our guest speaker is Vickie Anderson, TN WMU Executive Director-Treasurer, who will share about the TN-Denver Partnership and the **Denver Prayer Walking Trip**. We will collect items needed for their Oct. 3-7 trip.

Our October 1 speaker is Angie Brantley from **TenThirtyFive**, a local ministry based on Hebrews 10:35 that instills confidence, dignity, and worth through mentorship and fashion for at-risk young women. Our project will be donating women's clothing and accessories needed by these young women.

November 5 we will get an update on The Next Door Recovery from Jillian Simon, TNDR Development and Volunteer Coordinator. Our project will be making 60 ThankHisGiving baskets for the residents at TNDR's addiction treatment center.

Women on Mission is for all women 18 and up. Join us the first Tuesday each month 6:30-8 pm as WoM Sisters create multigenerational bonds where doing life together for His kingdom is our desire as we live out His mission!

By Charlotte Maynard

We are excited to start meeting again the second Monday in September at 10 a.m. in a new location - **The Youth Basement**. We will have more room and a microphone for our speakers. We have lots of wonderful speakers lined up with some special projects coming up this year. As always, if you have someone you think would like to share their ministry with us, please let me know. We are always open to new suggestions and projects.

Our meetings include **Birthday Celebrations** for those having birthdays that month, a **Person of Interest** who tells a little about themselves so we can get to know them better, a **Devotional and Prayer Calendar** time, **Treasurer's Report**, **Reading of Minutes** from our last meeting, and an **Update on WMU** activities, all while we enjoy beautiful table decorations provided by our ladies. After our meeting, we enjoy a **delicious luncheon** where everyone brings a dish to share. We do have the MOST EXCELLENT cooks!

WE ARE A GROUP OF LADIES WHO LOVE THE LORD AND LOOK FOR OPPORTUNITIES DAILY TO BE ON MISSION FOR HIM.

Invite a friend and come join us September 9. I hope to see you there.

Mission Friends

By Linda Sharp

Mission Friends resumed Wednesday, August 7. We are excited to have Connie Howard as our Missions Friends teacher this year! We joined the older children for a Back-To-School Bash outside at the playground and pavilion.

For the remainder of August, we will learn about **Karo and Mikyung Ku** who serve as church planters in **Orange County, California**, with Send Network of the North American Mission Board. Mr. Ku works with other church planters to start churches in languages other than English. His ministry, called Overflowing Ministries, uses coffee carts to help draw people to a comfortable place to meet and talk about Jesus.

In September we will “travel” to **Paris, France** where we will “meet” church planters **Jason and Cassie Harris**. They were both involved in outreach activities during the 2024 Summer Olympics such as Olympic pin trading, giving out water bottles, street art, music and sharing the gospel in areas they hope to start new churches.

October will find us learning about a special Motorcycle Ministry called **F.A.I.T.H. Riders**. F.A.I.T.H. Riders work locally and travel the country to share Jesus with people who love motorcycles. Our missionary will be **Michele Newsome**. She and her late husband started this ministry in 2002. Mrs. Newsome serves on the Board of Directors, she is the Chapter Director for Lakes Church in **Lakeland, Florida** and she also serves as a chaplain for the ministry.

In November we will learn about **Don and Maria Friesen** who serve along the Amazon River in northeastern **Brazil**. The Friesen’s live in a floating house that can be moved to wherever the people are located. The Friesens travel the river in their boat they nicknamed “Lottie” because it was purchased with funds from the Lottie Moon Christmas Offering. Mr. and Mrs. Friesen tell Bible stories to the people in this area and encourage the people to love Jesus and to learn how to be followers of Jesus so they can tell others about Jesus, too.

Girls in Action (GA) and Royal Ambassadors (RA)

By Donna Davis and the GA-RA Team

Our annual **GA Mother Daughter Tea** was on May 18. GAs were recognized for their faithfulness and work accomplished during the past year. Jane Ann Gibbs, retired IMB missionary, was our speaker. Pastor Eric challenged our GAs to keep their faith as they continue to grow. It was a fun day.

Our GAs were involved in a **Kids Missions Experience** on July 24. We studied about **Disaster Relief of Tennessee**. They studied how Jesus rescued the disciples from the storm and how Jesus can rescue us during life’s storms. The children made disaster relief bags that were taken to the Tennessee Baptist Relief Center to be given to children that are experiencing a storm in their life. These bags contained a coloring book, colored pencils, pencil sharpener, a small game and a small stuffed animal. Garry Maddux from Disaster Relief came and brought the Disaster Relief Food Truck. The children were served supper from the food truck so they could experience some of what the children experienced during the hard times of a storm. We enjoyed Bible Study, crafts, and games during the night.

August 28 we will celebrate **Christmas in August**. Our missionary is Sonja Abram of the **Send Relief Ministry** in Memphis, Tennessee. We will be collecting \$5 gift cards from McDonalds, Wendys or Burger King to be sent to Send Relief. They will be included in care packages for the homeless.

GAs will also study about our **Cooperative Program** August 28. We will learn how working together can get a lot done especially how Southern Baptists work together to tell people everywhere about Jesus. We will learn the Cooperative Program is the financial fuel Southern Baptist use to fulfill the Great Commission. We will be making craft stick units that will become part of a larger houseboat. These will be mailed to WMU in Birmingham, Alabama along with many other craft stick units from other churches. Their goal is 47,000 craft stick units. The houseboat will be unveiled in November as we study about church planters in South America. They actually built a floating house to use in their ministry. Our children will be a small part of something really big.

It’s going to be a great year in GAs!
