

Neighbor Notes

Here are two templates of examples notes to help reach out and connect with your neighbor. Your neighborhood NextDoor might also have something set up so also check there.

Example 1

Hello!

My name is [name], and I'm your neighbor at [address].

Because of the current situation with COVID-19 and the Stay Home, Work Safe Order in our area, I wanted to reach out to check on you and your household — I'd love to hear from you in how you are doing, how I might be able help, and how I can pray for you. I'm also working to connect our block together in order to support one another and share resources.

I'm going to create a group text thread for our neighborhood, please let me know if you'd like to be a part of this. In the midst of so much fear and unknown, I am grateful for the opportunity to care for each other and connect even if it's from a distance.

Hope to hear from you soon! My phone number is [Phone Number].

Example 2

Because of the current situation with COVID-19, I wanted to reach out to check on you and your household — I know there are some of us that are more at risk than others. If that is you, I would like to offer to run any errands for groceries or other life essentials. I also know that this can be a trying time mentally and emotionally and if prayer would be a comfort to you, I would love to be able to pray for you.

If either of these would be helpful to you, please don't hesitate to reach out and let me know.
