

Happy New Year Crosspoint!

What a 2022 it has been. We've come out of a couple of seasons of restrictions finally being lifted and I'm sure the last year came with some highs and some lows. Maybe you're looking for a fresh encounter or a fresh touch from God this year. For God to reveal the truth of who he is in such a mighty way.

This Sunday, we will be looking at Acts 9:1-22 "The Conversion of Saul" **Jesus appears to him** on the road to Damascus. **This event transformed him. The transformation was sudden.** We see the **supernatural power of God** on display. **Paul had a personal encounter with Jesus** on his journey to Damascus. I believe at that moment Paul knew that he was loved despite who he was and what he had done, that he was part of a bigger plan and purpose.

God can and wants to meet you and I in the middle of our life's journey. He wants to have an encounter with us. He sees us! He has a plan for us! He loves us!
