

Sermon Notes

This Sunday we will be considering the fourth sign of the Kingdom of God from John 6. This miracle/sign is the feeding of the five thousand men. This miracle/sign is significant because it is the only miracle/sign that is recorded in all four gospels.

Each gospel author sees this event from a little different perspective, and I would encourage you to read each account looking for the different perspectives rather than the different details. The evidence is in the details, but the perspective is that to which the details point.

The four accounts of this miracle/sign are found in Matthew 14, Mark 6, Luke 9 and John 6. Consider the reason for the retreat of Jesus and his disciples, Jesus' interactions with the crowd and the interactions of Jesus with his disciples.

This Sunday our focus will be on John 6 and what we can apply to our lives today.
