

Giving Through Stock Donations and Qualified Charitable Distributions (QCDs)

Stock Donations

Donating appreciated securities such as stocks, bonds, or mutual funds is a tax-efficient way to support The Fields Church. When you donate stock directly, you can avoid capital gains taxes, and the full market value is tax-deductible if you itemize your deductions.

How to Donate Stock:

1. Contact your financial advisor or broker to initiate the stock transfer or reach out to Matthew Weaver at matthew@rpgindy.com if you need help with the process.
2. Provide them with the following information:
 - Church Name: The Fields Church
 - EIN: 87-2062896
 - DTC: 0226
 - Account Number: (RQV080475)
 - Broker: National Financial Services
3. To ensure proper credit for your contributions, please notify us of the number of shares and the name of the stock(s) you are transferring. You can email this information to Matthew Weaver at matthew@rpgindy.com. Once received, we will send you an acknowledgment letter for your giving records.

Qualified Charitable Distributions (QCDs)

If you're 70½ or older, making a Qualified Charitable Distribution (QCD) from your IRA is an excellent way to support The Fields Church while potentially reducing your taxable income. A QCD allows you to donate pre-tax funds, which may satisfy your Required Minimum Distribution (RMD) for the year without increasing your taxable income.

How to Make a QCD:

1. Contact your IRA custodian to request a QCD to The Fields Church.
2. Provide the following details:
 - Church Name: The Fields Church
 - EIN: 87-2062896 Church
 - Address: 8601 Hague Road, Indianapolis, IN 46256
3. Contact Information: finance@thefieldschurch.co

Any additional questions: Please reach out to finance@thefieldschurch.co
