

## Like Wine, Like Bread

**Intro: Ab Db (x2)**

### **Chorus 1:**

**Ab**  
Like wine, You go down bittersweet  
**Db** **Fm**  
Like bread, You soak up every need in me  
**Eb Db**  
This pain is finally receding  
**Ab** **Db**  
Your love descends and I can't take it in  
**Fm**  
Your grace has overwhelmed my being  
**Eb Db Eb Ab**  
And I won't really live as long as You're living in me

**(Intro)**

### **Verse 1:**

**Ab** **Db** **Ab**  
My priestly robes don't remind me of Your grace often enough  
**Eb** **Db** **Ab**  
My inner thoughts don't reveal the desire to love  
**Fm** **Eb/Db**  
How did You take on flesh and take on sin?  
**Fm** **Eb/Db** **Eb/Bb**  
How did You become like us and still win?

**(Chorus)**

**(Intro)**

### **Verse 2:**

Suffering isn't foreign to You, Jesus, You were man  
And as God, You know more than I could ever comprehend  
As if You don't know what it's like to follow through  
As if You didn't have to learn to obey Him, too

**(soft instrumental Chorus)**

### **Chorus 2:**

High Priest, replace me  
I did this all so selfishly  
Be the Son I could never be  
I won't really live as long as You're my High Priest
