**No Other Way**
**Intro:**   F#

**Verse 1:**
F#                              D#m
Once again, once again I've fallen
      B                            F#
Once again I'm dragged into the courtroom
        F#  C#/E#  D#m      F#/C#              B              C#
Once again I bring deliberate rebellion to Your grace, to my shame

**Chorus:**
      G#m              B
You're unreachable, untouchable
      F# C#/E#  B
Too beautiful for me
        G#m   F#/A#        B   C#
You're unstoppable and unchangeable
          D#m   F#/C#   B      F#
There's no other way for me

**Verse 2:**
      G#m      F#/C#   B
Once again, I'm tired of saying it
      G#m      F#/C#   B
Law of Moses, you break my back
      G#m      F#/C#   B
Holy Son or raving lunatic
        G#m              F#/A#
I thought I crushed You underfoot
              B              C#
I thought we buried You, but You are

**(Chorus)**

**Bridge:**
            F#/A#  B                    F#/A#  B
But You made a way,        You took my shame and destruction
          F#/A#  B                    F#/A#  B
And by Your Name,        You paved the road for resurrection
        G#m              F#/A#              B
And the blood I thought I scraped from Your side
            C#              D#m
You actually gave for Your bride
          F#/C#        B
And by this grace, I now say

**Chorus 2:**
You are reachable, You are touchable
You are beauty for me
You're unstoppable and unchangeable
There's no other way for me
        **G#m  F#/A#  B    C#**
There's no other way for me
   **F#**
For me

**Outro:**
**F#**
Have Your way, have Your way among us
