

JOURNEY

Hello, 1st-5th Grade Room families!

We miss you! We love being able to share God's message with your family in Journey Kids on Sundays and feel our secondary voice of faith for your child is significant, but we also believe God has given **you** the most impactful voice to share his truth and hope with your children. Please use the ideas below as a guide to share God's story with your child while we are unable to meet in person.

WHAT TO DO:

- **Play “Upside Down Challenge”**
 - Challenge each family member to write their name upside down!
 - Consider trading names for an extra challenge.
 - Say, “We’ve been learning all month about humility and putting others first. It can totally feel upside down sometimes! Let’s watch a Bible story about WHY we should put others first.”
- **Watch the Bible Story video**
 - Access the video on the Parent Cue App or on the Parent Resources webpage at thejourneycc.com
- **Play “Hum-ball”**
 - Read this month’s memory verse together: Philippians 2:3
 - Divide your family into pairs and divide the verse into two halves.
 - Assign one half of the verse to each partner.
 - Begin the game:
 - Each pair stands a few feet apart
 - Partner #1 says the first half of the verse and bounces the ball to Partner #2
 - Partner #2 says the second half of the verse and bounces the ball back.
 - Each partner then takes one step backward
 - See how far apart you can get until you miss!
 - Extra challenge: which team can say it the loudest, softest, lowest, highest, fastest, etc.?
- **Pray**
 - Thank God that Jesus set the example and put us first
 - Ask God for help to put others first this week. Use specific examples of people your family will interact with.
 - Thank God for his love and help
