

FALL KICK-OFF

AT THE JOURNEY

Summer is wrapping up and Fall events are starting. We have a great Fall planned at The Journey. If you were gone this summer or maybe you haven't been at The Journey for a while, this is the time to jump back in. You might feel weird about coming back, but this is non-weird kick-off month!

No questions asked. Let's gear up the momentum in our lives & together at The Journey.

Let's keep exploring God and taking steps to experience God in our lives.

Check out all the details in this letter for fall events & we hope to see you soon!

**RELATIONSHIPS, NOT RELIGION
SO EVERYONE CAN EXPERIENCE THEIR BEST LIFE**

GAME TIME
LIFE IS A TEAM SPORT

SEPTEMBER SERIES:

GAME TIME

SUNDAYS AT 9:30 AM & 11:00 AM AT BOTH SITES

Have you ever heard the phrase, "there's no I in team."? That sounds great but maybe you feel like you're left to tackle life on your own. Maybe you feel stuck on the bench & life seems to be going nowhere. Maybe you feel like you're not good enough to get in the game. In this new series, we are looking at what can happen when we team up with God & what that means for our relationships & church. We aren't meant to do life alone. Life is a team sport. It's time to get on the field & experience our best life. What time is it? GAME TIME!

TAIL GATE PARTY

**SEPTEMBER 7
10:30 - 11:00 AM**

Come kick-off Fall at The Journey.
pop, popcorn, games & prizes
Wear sports gear if you have it.

NETWORKS

A big thanks to everyone who served in our regional network teams as we went way beyond last year's goal of serving to impact the community with over

2000 hours.

Networks are regional **TEAMS** where we can take **next steps** and **impact** our community.

It's coming **TOGETHER** to have God work in & through us.

This Fall is a great time to join in with a Network team. More details: thejourneycc.com/networks
