

HELP EACH OTHER TAKE A GROWTH PATHWAY STEP

This is about investing in an encouraging each other in our relationship with Jesus. Below are some guidelines. Our goal is to form habits in the Growth Pathway that help us follow Jesus. Make sure each person has a copy of this guide so we can prepare for conversations and help each other. We are a team and in this together so ask a staff person for help if needed! Thanks!

GETTING STARTED

1. Identify a [Growth Pathway](#) step and review the info to develop that step.
2. As you go, share your own experiences in following Jesus (learnings, successes, struggles)
3. Celebrate steps that are taken, be encouraging, and care about the other persons' life.

REVIEW QUESTIONS (do when together)

2. (a) How consistent are you with this step? (b) How are you struggling?
3. What part of your [Growth Pathway](#) step do you need to develop to make it more of a habit?
