

Song Lyrics for July 25

My Savior My God

Verse 1

I am not skilled to understand What God has willed what God has planned
I only know at His right hand Stands One who is my Savior

Verse 2

I take Him at His word and deed Christ died to save me this I read
And in my heart I find a need Of Him to be my Savior

Pre-Chorus

That He would leave His place on high and come for sinful man to die
You count it strange so once did I before I knew my Savior

Chorus

My Savior loves my Savior lives My Savior's always there for me
My God He was my God He is My God is always gonna be (repeat)

Verse 3

Yes living dying let me bring My strength my solace from this spring
That He who lives to be my King Once died to be my Savior

Chorus

My Savior loves my Savior lives My Savior's always there for me
My God He was my God He is My God is always gonna be (repeat)

Even Me

Verse 1

He knows my thoughts
He knows my heart
Somehow still
And somehow still

the things that no one sees
It's every broken piece
I'm held by this one thing
I'm held by this one thing

Chorus

Yes Jesus loves me
I stand forgiven and free

Even me even me
Even me even me

Verse 2

He knows my past
When I have wandered
Somehow still
Somehow still

The choices I have made
When I pushed away
I'm held by this one thing
I'm held by this one thing

Bridge

Nothing could ever stop this love
My life was lost His life He gave

Nothing could ever take it away
Even to the grave even to the grave

Chorus

Yes Jesus loves me
I stand forgiven and free

Even me even me
Even me even me

Be Still

Verse 1

Be still my heart and know
He provides a place for me to go

In letting all my weakness show
He lifts me off the ground

I quiet down and rest
I lift my eyes and look to Him

He restores my hope again
He lifts me off the ground

Chorus

So open up my heart and trust
That He who placed the sun
Is here with me

Open up my eyes to see
The moon and stars

Verse 3

Stop your striving now
I say His name and my walls come down

Heaven's peace is all around
He lifts me off the ground

Chorus

So open up my heart and trust
That He who placed the sun
Is here with me

Open up my eyes to see
The moon and stars

Bridge

I am not alone
Seasons come and go

You're with me every step
But You have never left

Chorus

So open up my heart and trust
That He who placed the sun
Is here with me

Open up my eyes to see
The moon and stars
