# THE OAKS

COMMUNITY CHURCH

Dear Neighbor,

We are passionate about fighting hunger and hope to continue to provide food to families for many years. In order to do this well, we need to make some renovations to our space.

**The food pantry will be temporarily closed for renovations from September 8th - December 4th.**

We are sorry we won't be able to serve you during the renovations. We love seeing you and will certainly miss you during this time. We are so excited about the improvements we're making, though, and we can't wait for you to see the new space when it is finished.

We know some of you depend on our pantry each week, so we have included a list of other pantries you can contact while we are closed.

When we reopen, we will have bigger space, and you will be able to come in and shop for the items you want. We're excited to be able to offer you a wider variety of products and more personal service.

Please make sure your contact info is up to date so we can share updates and important information with you.

If you have any questions, please contact us at [mercy@theoakscommunitychurch.org](mailto:mercy@theoakscommunitychurch.org).

Yours Truly,

*Meagan Hurley*
