

DISCUSSION QUESTIONS

1. Shaping Question: In what ways can I better align my life with the mission of God this year?
2. What are the three ways Matt pointed out in which the early church was dependent on the Lord? How can you grown in your dependence on the Word, the Spirit, and prayer in 2024?
3. In what ways are you called to share in the mission of Christ through our local church?
4. How can your community group better keep your hearts and lives open to accept new Christians as the church grows and we move into a new building?

PRAY: Pray for nothing less than revival in 2024—that those dead in sin would come to life in Christ, and that sleepy Christians would wake up. Pray that the Lord would strengthen your resolve to depend on his Word, his Spirit and prayer this year.
