

DISCUSSION QUESTIONS

1. Consider the gospel unity on display in Acts 4:32-37. What are some things that keep us from this kind of Biblical picture of unity? In what practical ways can you and I strengthen gospel unity at The Trails Church?
2. Now consider the grace of generosity on display in this passage. How should the grace of receiving affect how we view our own wealth and possessions?
3. What are some things that keep us from practicing this kind of generosity in our own lives? And how can we become more generous Christians like the earliest believers in Acts?
4. Shaping Question: *What are some of the great graces that you see God doing in The Trails Church?*

PRAY: Ask that the Lord would continue to grant The Trails Church supernatural unity among the elders, staff, volunteers, and the congregation. Pray that God would fix your eyes on Christ until his beauty and glory loosens our grasp on material things and transforms us into more generous people.
