

## DISCUSSION QUESTIONS

1. Shaping Question: Who is Jesus to you? What do you think of when you think of Jesus?
2. Read Exodus 3:13-15. How does Jesus' response in John 6:35 reflect Yahweh's words in Exodus?
3. In John 6:26-34, Jesus identifies that the people want Him for what he provides (bread), not for who He is. Think about your own relationship with Jesus. Is Christ simply useful to you or absolutely precious?
4. Consider Gabe's analogy about filling ourselves with useless things instead of feasting on the most important thing. Are you hungry for the things of God, or are you filling up on things that don't matter?
5. Practically, consider your schedule and how you spend your time each day. Do your actions reflect a life where Christ is of first importance, or of an appetite for lesser things?

**PRAY:** Thank the Lord for his provision in your life and for the ways he's fed you physically and spiritually. And thank him for the provision of Jesus Christ, the bread of life. Ask that the Holy Spirit would continue to open your eyes and heart to see Jesus as all sufficient, beautiful, and precious to you. Confess the ways that you've sought to fill your life with lesser things and ask that God would help to reorient your life to make Christ the most important thing.
