

Audition Process

Thank you for your inquiry about the band. Our main focus is to lead our church into a distraction free time of corporate worship with excellence and consistency. In order to achieve this goal it requires a lot of commitment and dedication. We ask all potential members to submit a video singing or playing their instrument. These videos do not need to be high quality and can be right from your phone. Below you will find details and a list of suggested audition songs.

For Vocalists:

We ask that you sing a verse, chorus and bridge of a popular worship song or one of the suggestions below. This can be accompanied by an instrument or along with a track/original recording.

For Instrumentalists:

We ask that you play an intro, verse, chorus and bridge of a popular worship song or one of the suggestions below.

We like to receive videos of the full song but it is not a requirement.
