REFLECT- 2024

Spend time with God reflecting on 2024. Remember His faithfulness by walking through this guide personally, and in your Community Group/3D. You may find a notebook, your pictures, and your 2024 calendar helpful. **First-** Spend time (30min-1hr) scrolling through your calendar and last year's pictures. Linger in the memories, reflecting, praying. Jot down notes, themes, thoughts, emotions.

1. How would you describe your relationship with God in 2024?

PRAYER

Talk to God about what you have reflected on in 2024, and resolved for 2025.

1. **Praise:** Praise God for who He is. Thank Him for how He met you in 2024. At the same time, be honest with Him regarding doubt, anger, loss, etc. Talk honestly with God, while praising Him for who He is and always being with you.
2. **Ask:** Ask God to meet you and work through you in in the lives of others. Ask Him to forgive you for any sins or shortcomings from the past year. Ask Him to shape your faith, and shape others through you. Ask Him for wisdom, risky obedience, for His grace in the coming year.
3. **Save:** Pray for two people that you desire to share the gospel with this year. Ask God to increase your relationship with them, your courage and intentionality to move towards them. Ask for opportunities and faith to share about your relationship with Jesus and the gospel. Ask Him to save them.
