

# JANUARY NEWS

## From the Director's Desk:

Welcome to 2024! I pray each of you are having an amazing start in this new year!

As we begin this new year of 2024, we want to let you know about some age appropriate ways to share God's word with your children. Notes were sent home with an info card letting you know about the Kid's Bible Experience that is available on the Youversion bible app. If you go to your phone's playstore, you can download the Youversion bible app to your phone. At the bottom of the HOME page on this app, there is a link that you are able to click that will take you to the Kid's Bible Experience. This is about a 5 minute daily devotional for children that helps them learn how to apply God's word to their life. Youversion also puts out a Preschool/Early Elementary Bible App for kids that shares interactive bible stories for children. Children can click on the pictures and interact during the bible story as well as there is an activity for children to complete at the end of each bible story. Both of these tools are fun for children and help them learn how to engage in God's word at their level. If you have any questions about either of these, see me and I will be happy to help you. Praying that all of our children learn how much Jesus loves them and that His word is for them as well!

As the colder weather approaches, we want to make sure that everyone is aware of our inclement weather policy which is listed below. Just a reminder – if your child is NOT coming to school for the day, please let us know by 8 o'clock each morning to help us make sure we are turning in accurate lunch counts each day! Also, we are implementing a new Parent Resource board. On the Parent Board across from the TD office, we will have pocket folders with resources available for parents as needed. These resources will be changed out periodically. We hope these resources are helpful for you and your family!

### \*\*INCLEMENT WEATHER POLICY \*\*

OUR INCLEMENT WEATHER POLICY IS AS FOLLOWS: We determine whether to close or not based on Crowley. When CISD is closed, we will also close. PLEASE NOTE: Tuition will not be reduced if we have to close due to inclement weather.

These are the procedures we follow when inclement weather comes our way:

In the case inclement weather would cause a closing or adjustment to our schedule, the following methods of communication will be taken:

- Phone Message – Call 817.736.3117. The regular welcome message will be changed to relay any changes.
- TD Website – <http://www.trainingdepot.org>
- TV Station–We will attempt to list on the WFAA website - channel 8. We will be listed as 'Training Depot Learning Center'.
- Procure – A mass message will be sent to all those that are on our 'Procure Contact' list.

If you do NOT receive our weekly messages, updates & monthly newsletter from Training Depot, then your contact is NOT listed in our Procure database. In order to make for certain that you are on our Procure Contact list, please email me at [rfowler@trainingdepot.org](mailto:rfowler@trainingdepot.org). THANKS!
