

JULY NEWS

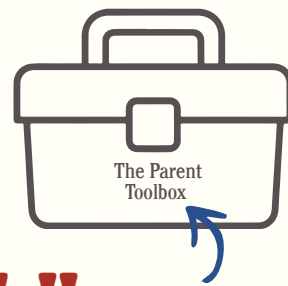

From the Director's Desk:

ATTENTION PARENTS: If your child is withdrawing at the end of the summer, please make sure to put in your withdrawal notice as soon as possible! This will need to be turned in 2 weeks in advance in order to use your deposit for your last week's tuition.

Training Depot is growing! It is our desire to continue to thrive and prosper. Our mission is to minister to as many in our community as possible; therefore, we have set goals to continue to grow as a ministry. We are seeking to partner with our current parents to help increase our enrollment as we prepare for the upcoming school year. We are implementing a Referral Incentive that will be available through July, August, and September. Any current family that refers a potential student to Training Depot and that family enrolls with us in one of our classes, you are eligible for this program thru the end of September. Please note the new family needs to include your name as a referral at the time their enrollment begins. After they have enrolled and completed their initial first month with us, you will receive \$100 tuition credit towards your weekly tuition.

If you are looking for a home church we would love to have your family visit us! Services on Sundays are at 9:00 & 10:30 AM. On Wednesday evenings, we have classes for all age groups beginning at 6:30pm. Check out what we offer for all age groups at our website: <https://www.gen-church.org/clubhousekids>. We would love to have your family join our church family!
